

CALL for PAPERS: ALOG SI

¶ Special Issue on AVIC2013 in *Analog Integrated Circuits and Signal Processing*

- An archival peer reviewed journal covering analog, RF, and mixed signal ICs, signal processing circuits and systems

<http://www.springer.com/engineering/circuits&systems/journal/10470>

- Google “Springer ALOG”
- Main Editor: Prof. Mohammed Ismail
- Issued almost monthly, online first
- **Special Issues on AVIC/AVLSIWS since 2010**

Notes for Prospective Authors

High Performance Analog Circuits & Design Methodologies

- Publication scheduled in late 2014
- The Special Issue Editorial Board
 - Guest Editor: Prof. Roni Khazaka, McGill University
 - Guest Co-Editor: Prof. Yasuaki Inoue, Waseda University
 - Guest Secretary: Prof. Cosy Muto, Nagasaki University
- Submission procedure
 - Start from the *Journal Web site*
 - Select article type: **“S.I. : AVIC2013”**
- **Submission deadline: January 31, 2014**
- First notification of acceptance in early half April, 2014
- Contact to Secretary: avic2013tpc@gmail.com
